GVCC MEETING: Saturday, August 11, 11:30am, Home of Doris & Owen. The meeting will follow a Newcomer's Ride starting at 9am at Anna's Bakery.

SUMMER BICYCLE TOURS: Owen and I rode two canals, the Chesapeake and Ohio and the Erie Canal. I recommend these rides for the scenery and history, not to mention that they are pretty flat.

Rails to Trails organized the ride on the C&O over the Great Allegheny Passage starting in Washington DC and ending in Pittsburgh. This ride was a celebration of the grand opening of the Great Allegheny Passage, a rail trail. We covered 330 miles in eight days, a very leisurely pace allowing time for sightseeing. While the C&O trail was in need of some maintenance, the canopy of shade provided by the trees kept us out of the hot summer sun.

Parks and Trails of New York annually organizes the Erie Canal ride, Buffalo to Albany, 400 miles in eight days. Again there was plenty of time for museums, canal barge rides and more museums. Every town along the canal has a museum. Each day there were speakers and/or entertainment providing history and songs of the canal.

Both canal rides are on crushed stone/dirt trails and hybrid bikes with their wider tires were recommended by the organizers. We were quite comfortable on our Bike Fridays with 1 3/8" tires, even in the rain.

GVCC MEETING: There was no July meeting.

GVCC Website www.goletabike.org: Be sure to check the events calendar on the web for the latest ride information. Sometimes rides are changed so please check the website or call the ride leader to confirm the ride.

Don't forget that if you have a good GVCC cycling photo, get it to Robert Rainwater, gbike@impulse.net.
