**NEWCOMERS RIDE: Saturday, August 7, 930am, Java Station, Doris, 968-3143.** Everyone is welcome to join this leisurely paced ride around Goleta. No one is ever left behind. You must wear a helmet to ride with the Goleta Valley Cycling Club. Our July ride brought out a few GVCC members (Jared, Kathleen, Bob Young, Owen, Dave Lawson, David Farber) along with returning new people.

**GVCC SEPTEMBER POTLUCK MEETING:** September 11, is a possible date. Watch this space for developing information.

**THE WINDMILL CENTURY,** July 17, was a success with over 300 riders including some GVCC members. The weather cooperated and we had good cycling temperatures after some early morning damp fog. Owen and I were prepared for heat as it had been hot all week, so we were a little chilly for the first several miles. All new routes this year as the start/finish moved from Los Alamos to Pioneer Park. Dave Cantero and his family served up an outstanding BBQ at the finish.

**TOUR de FRANCE:** Did you get up at the crack of dawn to watch the action? Or are you clever enough to have recorded and watched it at a more civilized hour? As I write this, the Tour is not yet over. Who will win? Can anyone beat Contador? I like Andy Schleck and am so sorry that his brother, Frank, was injured in a crash and had to drop out. I miss having George Hincapie on the same team as Lance. Who will win the Green Jersey? Can Hushvold outsmart Cavendish? Did the organizers plan the course to maximize difficulty and danger,

so that we would watch so as not to miss a crash? It seemed like there were a lot of crashes. All of these questions and more will be answered by the time you read this.

**PEOPLE POWERED RIDE 2010:** Our date, 10-10-10, is a magic number that should insure success for this year's PPR. We score a triple 10. Registration is open and I urge you to sign up to ride PPR, or better yet, volunteer to help on October 10. Please call or send me an email if you haven't already volunteered.

# Goleta Valley Cycling Club Membership Application

The Goleta Valley Cycling Club (GVCC) is a recreational and sport touring association committed to promoting safety, health, and fitness through the shared social activity of bicycling. Furthermore, the members acknowledge a responsibility to share our sport, our experience, and our aforesaid commitment as a group with the larger community in which we live. The GVCC endorses bicycling advocacy and maintains membership in: The League of American Bicyclists (the LAB), California Association of Bicycle Organizations, The Bicycle Ride Directors Association of America, and The Santa Barbara Bicycle Coalition. All GVCC members receive "The Breeze" monthly newsletter, which includes the ride schedule. Most local bicycle shops and athletic apparel specialists extend discounts to GVCC members. All members are encouraged to participate regularly in club activities; ANSI-SNELL approved bicycle helmets are required on all club rides.

Release and Waiver of Liability, Assumption of Risk, and Indemnity and Parental Consent Agreement ("Agreement") In Consideration of being permitted to participate in any way in Goleta Valley Cycling Club sponsored Bicycling Activities ("Activity") I, for myself, my personal representatives, assigns heirs, and next of kin:

1. Acknowledge, agree, and represent that I understand the nature of Bicycling Activities and that I am qualified, in good health, and in proper physical condition to participate in such Activity. I further acknowledge that the Activity will be conducted over public roads and facilities open to the public during the Activity and upon which the hazards of traveling are to be expected. I further agree and warrant that if at any time I believe conditions to be unsafe, I will immediately discontinue further participation in the Activity.

2. Fully Understand that: (a) bicycling activities involve risks and dangers of serious bodily injury, including permanent disability, paralysis, and death ("risks"); (b) these Risks and dangers may be caused by my own actions or inactions, the actions or inactions of others participating in the Activity, the condition in which the Activity takes place, or the negligence of the "releasees" named below; (c) these may be other risks and social and economic losses either not known to me or not readily foreseeable at this time; and I fully accept and assume all such risks and all responsibility for losses, costs, and damages I incur as a result of my participation or that of the minor in the Activity.

3. Hereby release, discharge, and covenant not to sue the Club, the LAB, their respective administrators, directors, agents, officers, volunteers, and employees, other participants, any sponsors, advertisers, and, if applicable, owners and lessors of premises on which the Activity takes place, (each considered one of the "releasees" herein) from all liability, claims, demands, losses, or damages on my account caused or alleged to be caused in whole or in part by the negligence of the "releasees" or otherwise, including negligent rescue operations; and I further agree that if, despite this release and waiver of liability, assumption of risk, and indemnity agreement I, or anyone on my behalf, makes a claim against any of the Releasees, I will indemnify, save, and hold harmless each of the releasees from any litigation expenses, attorney fee, loss, liability, damage or cost which any may incur as the result of such claim. I have read this agreement, fully understand its terms, understand that I have given up substantial rights by signing it and have signed it freely and without any inducement or assurance of any nature and intend it to be a complete and unconditional release of all liability to the greatest extent allowed by law and agree that if any portion of this agreement is held to be invalid the balance, notwithstanding, shall continue in full force and effect.
